1. Information on the service provided

BelleImmagine.it provides free services to its visitors. For no reason, users who visit the web pages of the site, who share, distribute or download content from the freely available platforms must consider themselves as customers, as:

any data recorded by the visitor's web browser are not handled directly by the administrators of the website, but by other parties who provide services to website administrators (Google Analytics, Google AdSense, CookieConsent - Point 3);

we do not collect personal data, such as user names, passwords, e-mail addresses, mobile numbers, data on the origin of web traffic (such as IP addresses of computers or geographical data relating to computers and / or terminals from which you access the site's platforms or on which the contents are eventually downloaded);

no registration is required in any specific form (such as forum registration pages, newsletters and / or similar).

2. Service owner

Access to free content does not involve the automatic purchase of the right to use intellectual property, patents, trademarks or anything else (the reference is made to the contents on the platform). The contents may be subject to copyright (Copyright), therefore, both administrators and users who use the platform can not in any case claim to themselves the intellectual property of the same.

Except for the contents put in free availability to visitors, the part relating to the design and the SupremeGallery software are to be attributed in intellectual property to Carmine Di Menza.

3. Processing of personal data

3.1 What types of data do we collect?

BelleImmagine.it does not collect data directly from its visitors, but makes use of advertising and statistical services such as Google AdSense and Google Analytics that can not inevitably do not store certain specific information. In order to know what data stored by these services are actually available, you can consult the information at the following addresses:

- [Google AdSense](#)
- [Google Analytics](#)

Not all the data collected by these services are available in BelleImmagine.it and its administrators.

In particular, to request detailed information regarding specific types of data, it is necessary to contact the above services and which will be discussed in the following points.

Administrators in using the Google Analytics service only know data relating to:

origin of the traffic of visits and in particular:

a) the channel from which the content has been reached (for example, the user browsing Pinterest, Facebook, Google or other search engines or content is redirected to the site BelleImmagine.it);

b) the geographical location of the visitor traffic (intercepted by IPV4 or IPV6 protocol or other terrestrial or satellite localization services, however not managed by the administrators);

visitor's gender information (if masculine or feminine);

age information (in classes, for example 15 - 20; 20 - 30; etc.);

information relating to specific interests of the visitor (based on the data provided from the Google control panel Analytics administrators can come aware of the main interests of visitors, for example Hobby Creative, Music, Sports and others);

web address of the platform visited in real time by the visitor.

Administrators do not collect information such as:

name and surname of its visitors;
date of birth of visitors;
home address, residence, number telephone and e-mail contacts of visitors;
other similar sensitive data.

3.2 Why do we collect this data?

We collect data of the above type to constantly improve the quality of the services we provide, as well as to promote products or services that are as pertinent as possible to the needs of our visitors.

We use Google AdSense to promote these products and services.

3.3 Is it mandatory to provide this data?

It is not obligatory to provide any kind of data, but it is our concern to inform visitors that despite all web browsers allow cookies to be disabled (Point 4), our platform is strictly connected to the Google Analytics service, therefore, even if cookies are disabled, the service will continue to collect the above data.

The user who does not want for any reason that this collection of data is carried out must abstain from browsing the site BelleImmagine.it.

3.4 If I wanted to delete the data collected so far?

Bellelmmagini.it is not the owner of the processing of personal data, because as fully expressed in the previous points, we do not store data physically at any server owned by us or at specific hosting services.

In order to provide a service of adequate professionalism, we are willing to assist our users to request the deletion of data.

To request intermediation, you can send an e-mail to: privacy@Bellelmmagini.it concerning: "Intermediation for the cancellation of personal data" and kindly addressed to the administrator Carmine Di Menza and processed in 72 hours.

4. Cookie

4.1 What are cookies?

Cookies are small text files that the sites visited by users send to their terminals or devices, where they are stored to be transmitted again to the same sites during subsequent visits.

Cookies (and / or similar technologies such as SDK technologies for the mobile world) can be stored permanently (persistent cookies) on the device or have a variable duration; they can in fact be deleted by closing the browser or having a limited duration to the single session (session cookies). Bellelmmagini.it cookies are installed exclusively by third-party sites and software such as CookieConsent (more information on CookieConsent at this address).
